Re:, DOB:.

Dear Dr. Glynn,

This pleasant gentleman participated in an 8 weeks falls prevention program and his results were the following:

Outcome Measure	Pre date: 20.03.14	Post: 23.10.14
BERG	45/56	52/56
TUG time	12 sec	9.48 sec
FTSS time	8 sec	13.42 sec
FES	17	9

On discharge he was independently mobile with a stick. If you have any queries please do not hesitate to contact me.

Yours Sincerely,

_____,
Chartered Physiotherapist MSc MISCP
